Team Leaders - This nominated representative will be responsible for all the money owed for the entries he submits. This money must be paid by 4:00pm on Saturday. Failure to pay on time will incur a £20 surcharge that must be paid by the end of racing on Saturday. Failure to meet this deadline will result in all paddlers from that club being disqualified from Sunday's racing.

All boats shall proceed to the start SLOWLY alongside Lane 1, down the course and past the Start Line point. There have some been some changes to the ICF for the start, as follows:-

"Competitors shall be on the water at the starting area not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the staring line. Two minutes before the defined starting time the competing boats have to take the lane determined in the programme"

In essence this means be at the start in good time, do not paddle too far away, stay within reach of the blue buoys (100 metre line), and get yourself lined up behind the correct lane. Listen for your race number to be called and remember that Regatta Time is shown on the TOD Clock (on the bank next to the start hut). If a paddler misses their start slot they may not be allowed to race. THE STARTERS WILL NOT WAIT.

2010 Dates:

BCU National Sprint Regatta 8 & 9 May,
BCU National Sprint Regatta 5 & 6 June,
BCU Inter-Club MacGregor Paddle 3 & 4 July,
BCU National Championships & Inter-Services 4 & 5 Sept

Sunday - Timetable

Qualification for finals

- Please ensure competitors are aware that **Draws** for the finals of **ALL** events (except Mens A, Womens A, Boys A, Girls A Classes and based on place) will be based on times.

All boats shall proceed to the start SLOWLY alongside Lane 1, down the course and past the Start Line point. There have some been some changes to the ICF for the start, as follows:-

"Competitors shall be on the water at the starting area not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the staring line. Two minutes before the defined starting time the competing boats have to take the lane determined in the programme"

In essence this means be at the start in good time, do not paddle too far away, stay within reach of the blue buoys (100 metre line), and get yourself lined up behind the correct lane. Listen for your race number to be called and remember that Regatta Time is shown on the TOD Clock (on the bank next to the start hut). If a paddler misses their start slot they may not be allowed to race. THE STARTERS WILL NOT WAIT.

Qualification for finals - Please ensure competitors are aware that **Draws** for the finals of **ALL** events (except Mens A, Womens A, Boys A, Girls A Classes and based on place) will be based on times.
