SPONSOR WEY KAYAK CLUB

Wey Kayak Club and the Waterside Centre needs your sponsorship money

The Wey Kayak Club would like to ask the 2012 and 2013 competitors to consider supporting their own club and raising sponsorship money for the club and centre. The club still has substantial loans to pay off and will have to help with the proposed planned £500,000 extension to the Waterside Centre. Plus there are a few kayaks that need replacing due to old age!
