

8am at Team Leaders Meeting

All boats shall proceed to the start SLOWLY alongside Lane 1, down the course and past the Start Line point. There have been some changes to the ICF for the start, as follows:-

"Competitors shall be on the water at the starting area not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the starting line. Two minutes before the defined starting time the competing boats have to take the lane determined in the programme"

In essence this means be at the start in good time, do not paddle too far away, stay within reach of the blue buoys (100 metre line), and get yourself lined up behind the correct lane. Listen for your race number to be called and remember that Regatta Time is shown on the TOD Clock (on the bank next to the start hut). If a paddler misses their start slot they may not be allowed to race. THE STARTERS WILL NOT WAIT.

Qualification for finals - Please ensure competitors are aware that **Draws** for the finals of **ALL** events (except Mens A, Womens A Classes and based on place) will be based on times.

Team Leaders - This nominated representative will be responsible for all the money owed for the entries he submits. **This money must be paid by 4:00pm on Saturday.** Failure to pay on time will incur a £20 surcharge that must be paid by the end of racing on Saturday. Failure to meet this deadline will result in all paddlers from that club being disqualified from Sunday's racing.

Raffle: In support of 2012 Olympians, a raffle will be held during the September BCU National Championships Regatta. **Prizes will include:** Signed T-shirts, Science in Sport products and lots more. Tickets will be available to buy at the team leaders meeting and throughout the weekend. Contact: **Sam Rippington**

SATURDAY - Timetable

Raffle: In support of 2012 Olympians, a raffle will be held during the September BCU National Championships Regatta. **Prizes will include:** Signed T-shirts, Science in Sport products and lots more. Tickets will be available to buy at the team leaders meeting and throughout the weekend. Contact: **Sam Rippington**

BCU Sprint Racing Section
Annual Consultative Meeting
 will be held on
Saturday 10th
September 2011
 at **National Water Sport Centre**
Starting one hour after the last race!!!!!!!!!!!!

Changes to the Starting Procedure

Some changes to the starting procedures for sprint races have been introduced by the ICF over the winter. These will apply to all events henceforth and are as follows:

- The starting command will be 'READY – SET – GO' (*GO can be a shot or strong sound signal*).
- At the 'READY' command competitors begin their preparation to paddle.
- At the 'SET' command competitors place their paddle in the catch position.
- Competitors must not paddle forward or this action will be deemed to be a false start. (*The boat must not move forward at this point in the starting procedure*).
- The starter, when satisfied with the competitors' positioning and attention, will say 'GO' (*or shot or powerful sound*).
- Competitors must only react to the start command / signal and are not permitted to anticipate it (*competitors can paddle only upon hearing the starting command / signal*).

Also for the attention of all paddlers, some other points within the ICF rules relating to starting:

- Competitors shall be on the water at the starting area not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the start line (*defined by a line of blue buoys at NWSC*).
- Two minutes before the defined starting time the competing boats have to take the lane determined in the programme.

The start shall be given without reference to any absentees (*in other words, if you're late we won't wait*).

All boats shall proceed to the start SLOWLY alongside Lane 1, down the course and past the Start Line point. There have been some changes to the ICF for the start, as follows:-

"Competitors shall be on the water at the starting area not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the starting line. Two minutes before the defined starting time the competing boats have to take the lane determined in the programme"

In essence this means be at the start in good time, do not paddle too far away, stay within reach of the blue buoys (100 metre line), and get yourself lined up behind the correct lane. Listen for your race number to be called and remember that Regatta Time is shown on the TOD Clock (on the bank next to the start hut). If a paddler misses their start slot they may not be allowed to race. THE STARTERS WILL NOT WAIT.

Sunday - Timetable

Qualification for finals - Please ensure competitors are aware that **Draws** for the finals of **ALL** events (except Mens A, Womens A, Boys A, Girls A Classes and based on place) will be based on times.

9**FINAL****EVERYONE CAN HELP & WANTED**

Once again it is time to appeal to the clubs for more assistance in the running of the national competitions. A few people do most of the work prior to the event, but more pairs of hands are needed on the course whilst events are in progress. Please encourage members of your club to offer their help. If you are one of the bigger clubs it would seem fair that more helpers should be forthcoming from you. Please, even if you can only do a few hours each time, that would be a very big help, because without it the programme may be curtailed. My team is always looking for new members and we've introduced a "Buddy" system. So come forward and offer to help – don't complain, help to change.

Dates: 14 & 15 April, 12 & 13 May,
9 & 10 June, 21 & 22 July,
1 & 2 September 2012

WATERBORNE INFECTIONS

The water may carry serious diseases such as Well's Disease, hepatitis, gastro-enteritis, etc. To minimise your risk of contracting an illness:

- Do not drink or swallow the water
- Avoid deliberately splashing water on your face, or in your eyes, nose or mouth
- Avoid swimming or wadding in the water
- Cover all cuts and grazes with waterproof dressings
- Use footwear to avoid injuring your feet
- Wash or shower as soon as possible after watersports, before eating or preparing food
- If you fall ill after watersports, go to your doctor early, and tell him/her you are a watersports participant
- If your symptoms include a high temperature, an influenza-like illness, and joint and muscle pains (particularly in the calf muscles) also tell your doctor about the possibility of Weil's Disease and give him/her a copy of the Weil's Disease leaflet (ask your Team Leader or go to the BCU website)
